

Why hello...

I'm so glad you stopped by in my little corner of the internet to grab this cute little Mother's Day printable for your little one to color.

By the way, I'm Erin, mother of 4 born in under 5 years, college history professor and the founder of [The Incremental Mama](#), where I help moms organize their time and homes so they can enjoy their life and kids.

But before you dive in, I just wanted to mention a few important things:
