

# Why hello...

I'm so glad you stopped by in my little corner of the internet to grab these cute little Valentine's Day place cards.

By the way, I'm Erin, mother of 4 born in under 5 years, college history professor and the founder of [The Incremental Mama](#), where I help moms organize their time and homes so they can enjoy their life and kids.

But before you dive in, I just wanted to mention a few important things:

These printables are for personal, non-commercial use only. You may not sell, share, redistribute or modify this printable in any way. Copyright remains with The Incremental Mama.

For best results print on cardstock and be careful cutting out the cards!
