

DECLUTTER YOUR HOUSE

30-day challenge

- Day 22* Gather any dirty laundry from around your house, wash a load, and then fold a load.
- Day 23* Organize your laundry area/laundry room. Clear cupboards and surfaces, wipe down everything, go through every item, get rid of what you can, organize and put back the rest.
- Day 24* Tackle the biggest mess you have lying around your house today. Don't worry about making it perfect, just make it better than when you started.
- Day 25* Pick a cupboard or drawer in your house and reorganize it by taking everything out, wiping it down, getting rid of superfluous items, then putting everything back in an organized way.
- Day 26* Clean out your car. Throw away trash, vacuum (if you have one), wipe down surfaces, clean windows with glass cleaner.
- Day 27* Books: whether your kid's book or your books, you're going to tackle books today. If kids' books, have they outgrown them? If your books, will you actually re-read it? Schools often accept children's books as donations.
- Day 28* Catch up on anything you missed this week or find 10 items in your home to throw away or donate.

HOW DID YOU DO THIS WEEK?
